To Whom It May Concern:

Embracing My Natural, Inc. is a nonprofit organization dedicated to promoting natural hair care. Our mission is to create awareness about the importance of natural hair care and to provide resources for those in need. We offer various workshops and events to promote natural hair care and empower individuals to embrace their natural beauty with confidence.

Another way we work toward this mission is through the distribution of our Natural Hair Blessing Bags. These bags contain essential hair care products for individuals who have natural hair. By providing these resources, we hope to make it easier for people in our communities to care for their hair and feel proud of their natural beauty.

We are reaching out to you because we believe our program, **The Crown Experience** can benefit your college, university, school, business, or organization. The Crown Experience is a two part event that includes an Interactive **Head Wrapping Class - a fun, yet educational event** and **The Crown Address - a formal and open discussion on hair care highlighting The CROWN Act.**

If you are interested in this event or have additional questions, contact us at info.embracingmynatural@gmail.com. Thank you for your time and consideration and we look forward to hearing from you.

Sincerely,

Dr. Mecca E. Terry

The Crown Experience

HEAD WRAPPING CLASS

Learn about the history of head wrapping and ways to style your head wrap in this interactive workshop! Bring your own head wrap or purchase one from our website www.embracingmynatural.org.

THE CROWN ADDRESS

This address focuses on the history of Black hair and hair care, The CROWN Act, and ways to support the CROWN Act which seeks to eliminate hair discrimination in education and employment. There will be Natural Hair Blessing Bag giveaways during this portion of the event!
